Roadmap of My Life

I am still 17 and never got older.

Experience at Freehunter

Sometimes I think my title should be: Technician Gofer
Just kidding I love everyone♥

First Year at Freehunter

My Duty:

- Keep Freehunter 1.0 Alive
- Bugging Everywhere
- Servicing My Customer

Changelle:

- Handling Choastic Code Style
- Work with different engineers from other countries.

Second Year at Freehunter

My Duty:

- Maintain 2.0
- Design New Tech Tool
- Study What Our User Need.

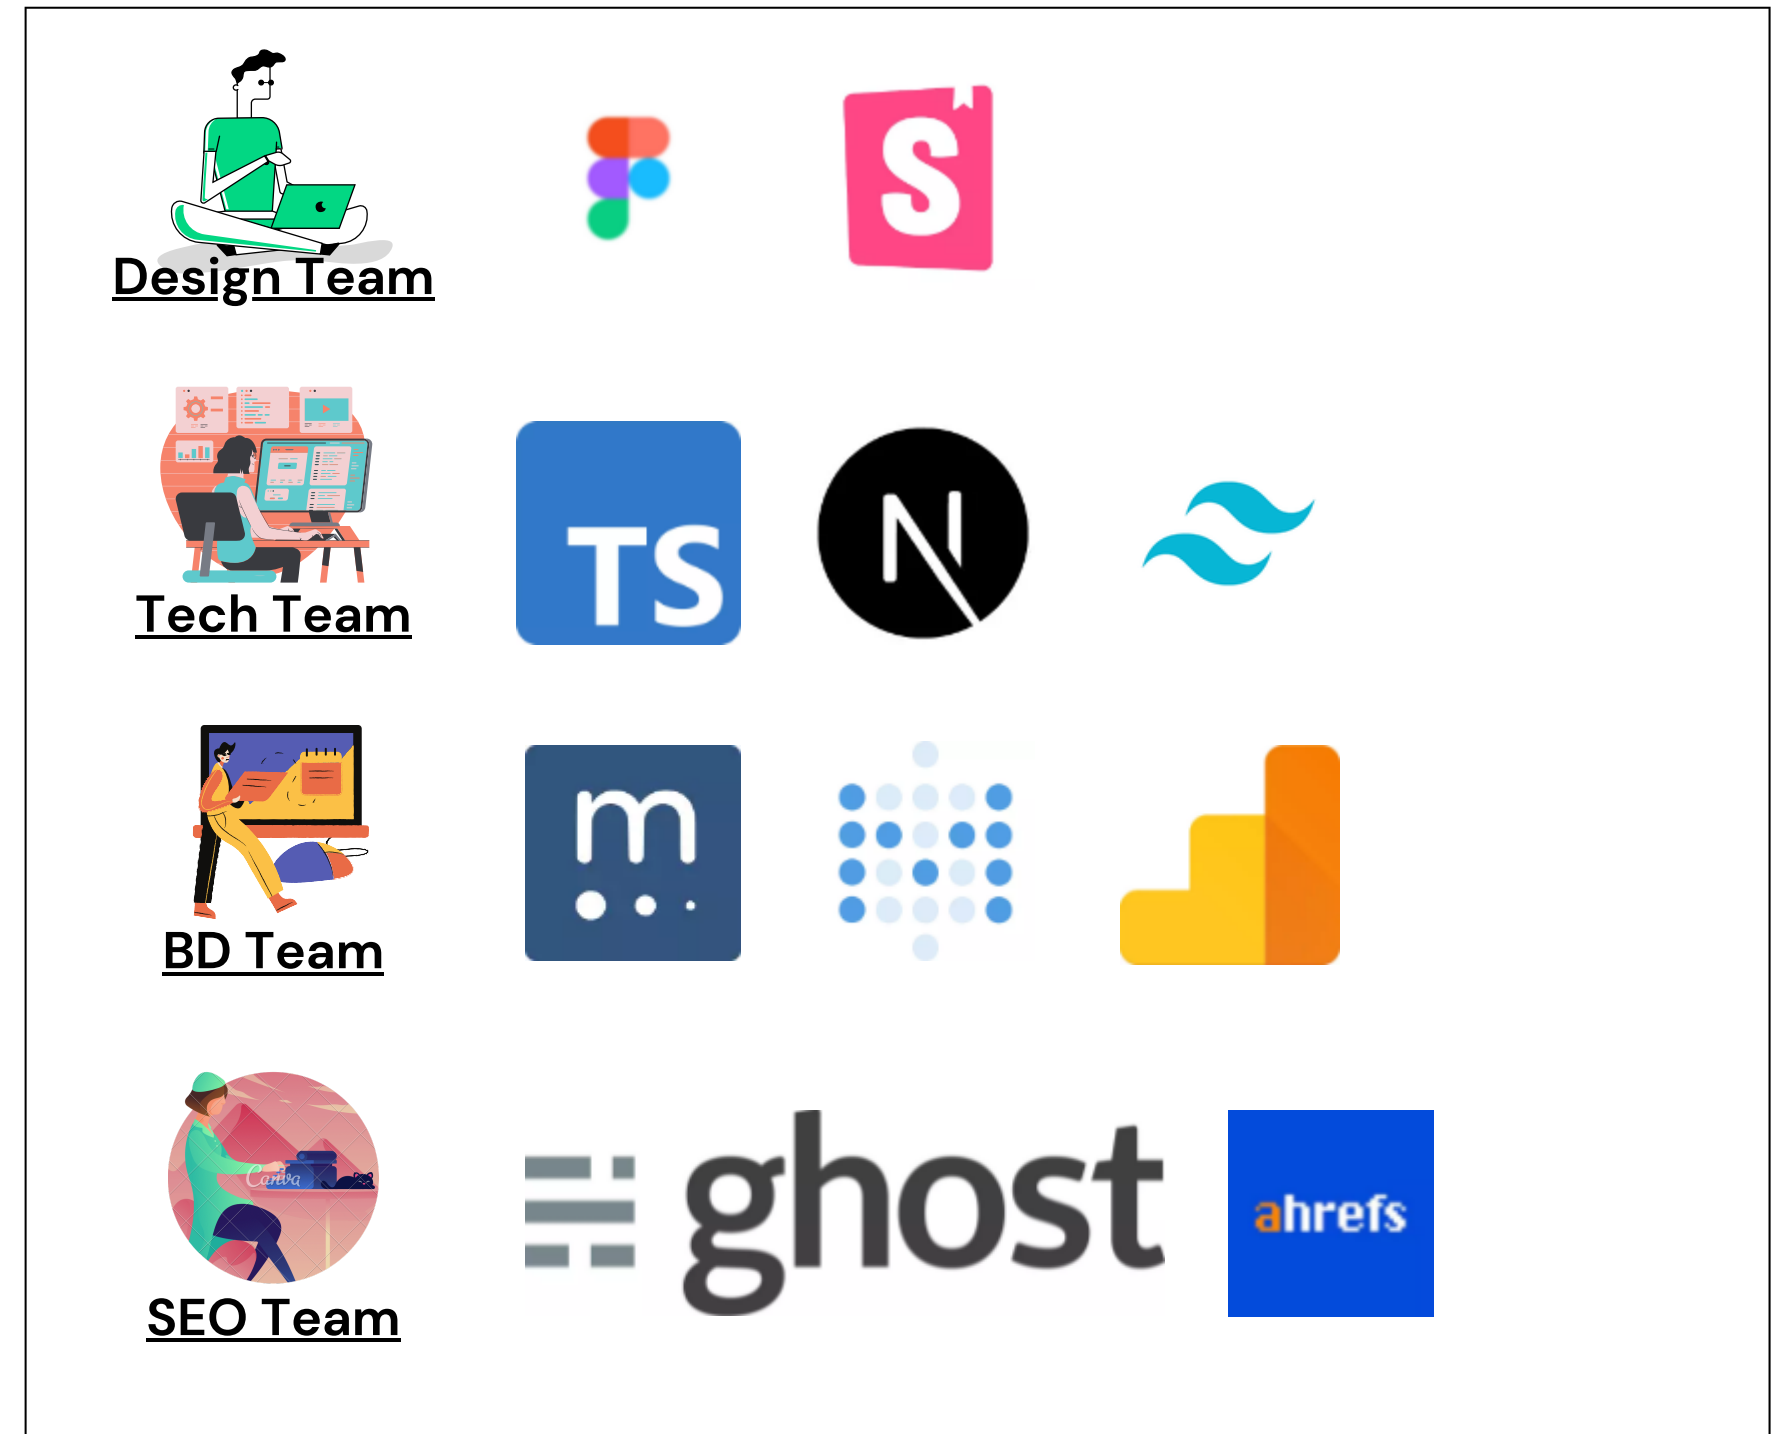

Changelle:

- Develop is Too Fast
- SEO Traffic is Fluctuating
- Making Decision Much More Than Coding.

New Tech Stack

We work together, even closer

- Design with Develop – involve a designer in the development cycle.
- Making Decisions with Data – We make decisions well-founded.

Thank you!
